APPEAL FOR DONATION: PROJECT BREAKTHROUGH

Dear Sir/Mam,

Siyathanda Lending A Helping Hand is an independent local Non-profit organisation that has been assisting less fortunate and underprivileged families within KZN since 2015. Over the years we have managed to help thousands of people with daily meals, basic groceries, water, electricity and baby essentials, we also do a number of drives on a monthly basis to assist with requests that we receive from schools and care homes.

A school which we work closely with has recently allowed us to utilise a vacant piece of their land as a thank you for assisting them through the years. As an organisation our main goal is to be able to use this as an opportunity to start a project that will aid the community in fighting some of the challenges they are facing today. Project Breakthrough is primarily focused on the betterment and sustenance of our environment and it's people. Our vision is to build a community centre that can be used for many purposes such as:

- Youth growth, empowerment and rehabilitation seminars to help educate young people on the dangers and realities of substance abuse.
- Mental Health Awareness campaigns aimed at reducing cases of suicide and self-harm.
- Voluntary Counselling for students to help them focus on their futures.
- Mobile Clinics for the elderly as many cannot travel.
- Agricultural learning programmes and a garden to help teach people how to plant, grow and sustain their own food.
- Recreational space for sport and activities.

The total costs of Project Breakthrough is estimated to be between six – seven million rands. We understand that raising this amount will not be easy however we are appealing to you come on board and help make this a success by pledging only a small amount just R250 or more towards this initiative. A meeting with our chairperson can also be arranged for further discussion if need be.

Thank you for your kind consideration, further information can be found on our website at www.nposiyathanda.co.za.

Kind Regards,

Sunil Budhoo
