GOAL

Siyathanda Lending A Helping Hand

Introduction

Mr. Sunil Budhoo, founder of Siyathanda Ukusizabantu: Lending a Helping Hand, comes from an underprivileged background. Due to his poor upbringing, watching his mother been abused emotionally and physically. He wanted to change every child's life and does not want them to go through what has happened in his childhood, to teach little boys how to look after the opposite sex and have a healthy and safe life. He grew a passion for wanting to give back to the poor communities. Due to lack of resources, Mr. Budhoo was unable to fulfill his desired dream. After many years, Mr. Budhoo finally opened and registered his non-profit organization thus making it possible to raise funding to help the community. For the past 5 years the organization under the leadership of Mr. Budhoo embarked on various drives of which helped thousands of families. To continue the work, more resources are needed as Mr. Budhoo works tirelessly to make sure families do not go hungry, learners do not go hungry.

Introduction

Childcare Foundation, an organization that strives to help children to be better and grow up in a safe environment. Why? growing up she was a victim of rape, abuse and was molested by family members. Her father was an alcoholic, but he provided the best he could for his family She also grew up being neglected and without love because her parents was too busy trying to make ends meet and have a life. Growing up she had to learn how to take care of herself and her siblings because she had parents who always worked. She was a victim of gender-based violence. She did not study however did own a successful hairdressing business for 20 years. Just with a diploma in hair. Her aim is to help children that are living in poverty and children who are abandoned and abused to live a fulfilled life. She wants to equip children with a trade especially with our economy, educate them in every area in life. She takes care of children even after they are 18, She works with all religious and all race organizations making sure no matter your religion or race you are loved and your life matters.

Together both organizations has joined forces towards one goal which we call "PROJECT BREAKTHROUGH "and has had a amazing start, we have helped over 150 family's weekly and help children and Senior Citizens daily.
